Tribal GIS brings together an organized environment for novice and advanced Tribal GIS users. It strives to enable others to share their successes in GIS, as this may help another community or program. Tribal GIS is a 501(c)3 non-profit organization that provides a professional platform for Tribal Personnel, Tribal Members, faculty and students of Tribal colleges/universities and supporting organizations to share professional forward thinking views, progressive knowledge and continuous education within a community of active GIS users serving Tribal Communities.
